Impact Microfinance Fund Launching Today!

IIG is committed to serving small businesses in Wayne and Washtenaw County.

Impact Microfinance Fund:

We are launching the IMF loan applications **TODAY!** Please read the details on the application entirely. [Here](#) is the link to the loan application. This funding is not ideal for quick or immediate emergency needs. If selected, funds will be disbursed 3-4 months after filling out this application.

Deadline: October 1st, 2020

Loan Model:

We are using Emory's Microfinance Fund as a model for our micro-loan terms. Emory has helped support 9 local entrepreneurs in the Atlanta area. To learn more about Emory's entrepreneurs, click [here](#).

We would love to get to know you and schedule a call to learn more about your business. If you are interested, click on the Connect With Us button below. (In Email Newsletters)

What is Microfinance?

How do microloans empower small businesses and entrepreneurs?
